

# Can you **recognize** Mis- and Dis-information?

## **Problematic Content can look like this:**

- **Missing Context:** What info has been left out?
- **Faulty Logic:**  $2 + 2 = 5???$
- **HATE and Dog Whistles:** Cruelly targets a scapegoat; blames the "other" who may be a different ethnicity, race, religion, or gender from you.
- **Conspiracies:** a theory that explains complex events as the result of a secret plot by powerful villains.
- **Old/Out-of-Date:** Reused in a different context, so false or misleading.
