

# Be a Super Voter!

## WHY Vote ?

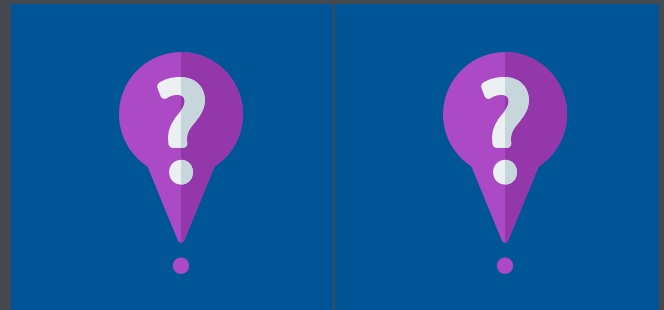

Our Democracy depends on the **voters** to tell their leaders what **problems** need to be solved.

## WHEN Do Voters Vote?

**ELECTION DAYS** are chosen by the leaders in each state. On that date, voters go to a special place to mark their **secret paper ballots**.

## WHAT Does Voting Do?

Voting chooses the leaders who will **help all people** where they live--like their city, state, and country.

## HOW Are Votes Counted?

The votes are **carefully counted** and **may be recounted** to figure out who has won. Voters show good sportsmanship and accept who wins.
